---

The Northwoods Cabin Company sheds and storage buildings are built with quality construction and attention to detail. All of our storage buildings can be modified to meet your unique needs.

Here's a sampling of our sheds and storage buildings:

- **Gambrel Barn:** Our Gambrel Barns offer the most storage available of any of our structures. With available 6' or 7'6" sidewalls, you will have room for all your critters, tools, or gear. You can also add loft space to take advantage of the spacious interior.
- **Green House/Garden Shed:** An exclusive NWCC offering, our Green House/Garden Shed is the perfect She Shed building with an attractive space for your gardening passion to come alive with ample storage space in addition. Light, airy, and beautiful - this is our most popular structure.
- **Rustic Timber Frame Shed:** This unit gives off a great rustic cabin feel. It includes 7'6" tall side walls, 8/12 pitch roof, cedar fascia and 6"x6" rough sawn pine porch timbers.

- **Deluxe Gable:** Our Deluxe Gable is one of the most attractive storage solutions on the market! It includes: 7'6" sidewalls, 8/12 pitch roof, 12" overhangs on all sides, 6" cedar fascia, 2 windows, shutters and flower boxes.
- **Standard Gable:** Our Standard Gable is a great looking, simple style that will work for anyone. This unit features 6'6" sidewalls and a 5/12 pitch roof. It boasts lots of room for storage; add on a loft, or workbench for even more usable space.
- **Porch Gable:** Our Porch Gable is a Standard Gable with an added porch. It comes with a wooden single and double door, and one single-hung screened window.
- **Economy Shed:** Our Economy Sheds provide an economical, attractive, and long-lasting solution to needed storage space. These buildings include: 4"x4" treated skids, 2"x4" floor joists, 2"x4" studs, 24" o.c., 6'6" sidewall height, OSB roof sheathing, aluminum drip edge, 25-year shingles, and a 55" double door.
