

Gambrel Barns

Our Gambrel Barns offer the most storage available of any of our structures. With available 6' or 7'6" sidewalls, you will have room for all your critters, tools, or gear. You can also add loft space to take advantage of the spacious interior.

This unit comes with a wide variety of options including overhead garage door, multiple window options, workbenches, storage lofts, insulated windows and doors, ramps and more..... As with all of our structures this unit is fully customizable. Standard on all sheds: 4"x4" treated skids, 2"x8" tongue and groove pine flooring, 2"x4" framing, 16" on center, pre-primed smart side exterior siding, 2"x4" trusses with metal gussets on 2' centers, 1/2" exterior plywood roof sheathing with H-clips, aluminum drip edge, 30-year dimensional shingle, 8"x16" gable vents on both ends, 1"x4" cedar trim, key and lock latches, standard double wood doors 65"x72."
